PURPOSE

Camps are seen as an integral part of the school curriculum as they enable students to explore, extend and enrich their learning and their social skills development, in a non-school setting. Camps may have a cultural, environmental or outdoor emphasis and are an important aspect of the educational programs offered at our school. A camp is defined as any activity that involves at least one night's accommodation.

AIMS

- To provide students with the opportunity to participate in a camping program that is linked to social, cultural and educational outcomes for students.
- To provide shared class and year level experiences, team building and a sense of group cohesiveness.
- To reinforce and extend classroom learning.
- To provide a program that delivers skills and knowledge that may lead to a lifelong involvement in worthwhile leisure pursuits.
- To provide a program that promotes self-esteem, resourcefulness, independence, leadership, judgement, cooperation and tolerance.
- To further develop their problem solving and life survival skills.
- To extend understanding of their physical and cultural environment.

IMPLEMENTATION

- All camps must be approved by the Principal and School Council.
- The Principal or nominee will ensure that full records are submitted to council regarding the camp well in advance of the starting date of the event and that no camp occurs unless all the formal record keeping has been completed and approved. All camps should be submitted to Council for approval at least two Council meetings prior to the camp.
- The Principal and Assistant Principal in consultation with organising teachers will ensure that all camps, transport arrangements, emergency procedures and student/staff ratios comply with DET guidelines.
- The Principal or nominee will complete the "Notification of School Activity" online at <https://partner.eduweb.vic.gov.au/sites/sal#/> at least 3 weeks prior to the camp departure date, and pass on to the Assistant Principal to ensure relevant details are recorded in the Daily Organisational Diary and are entered on the weekly Bulletin.
- All approved camps will then be presented to School Council for their approval.

Access to Camp

- Parents experiencing financial difficulty, who wish for their children to attend a camp, are invited to discuss alternative arrangements with the Business Manager. Decisions relating to alternative payment arrangements will be made by the Business Manager in consultation with the appropriate staff, on an individual basis.
- All aspects of the camp will be outlined to parents in writing, including cost, sleeping arrangements,

itinerary, activities, clothing and equipment lists, contact phone numbers, transport arrangements, student management processes, permission and medical forms and clearly stated payment finalisation dates.

- All families will be given sufficient time to make payments for camps. All parental consent and medical forms must be completed, signed and returned and all money must be paid prior to leaving. Copies of completed permission notes and medical information must be accessible at the camp location by staff at all times.
- Only students that have displayed sensible, reliable behaviour at school will be permitted to participate in school camps. Parents will be notified if their child is in danger of losing the privilege to participate in a camp due to poor behaviour at school. The decision to exclude a student will be made by the Principal, Assistant Principal, Director of Well Being, in consultation with the organising teacher. Both the parent and the student will be informed of this decision prior to the camp. All students participating in a school camp will be asked to sign a contract agreeing to abide by all camp rules.
- Parents will be requested to collect their child from camp if their child exhibits behaviour that is considered unacceptable or a danger to others. The Teacher in Charge, in consultation with a member of the leadership team, will make this decision. Costs incurred will be the responsibility of the parent.

Organisation

- All food, equipment, staffing, organisation of activities and student management procedures must be addressed prior to the camp. Consideration needs to be given to students with special dietary and medical requirements. Parents should notify the staff in writing regarding special dietary and medical requirements when returning consent forms.
- Office staff will be responsible for managing and monitoring the payments made by parents and will provide organizing teachers with detailed records on a regular basis.
- The Teacher in Charge must provide the General Office and Principal with a final student list.
- In the case where a camp involves a particular class or year level group, the organising teacher will ensure that there is an alternative program available for those students not attending the camp.
- The school will provide a mobile phone and first aid kit for each camp. The teacher in charge is responsible for collecting these prior to leaving.
- For high risk Outdoor Education activities the staff member organising must have suitable training and current qualifications. All staff members must be aware of the increased duty of care.
- The teacher in charge will ensure that student medical forms are available at the site and all camp staff are aware of special medical issues or medication requirements of any student.
- One staff member will be designated to take responsibility for administering student medication if required. (following consultation with parents and/or appropriate medical practitioners)

Site Safety

- All safety requirements must be considered and adequately resolved prior to the camp. Telephone numbers of all emergency services must be provided to the school and be taken on camp. If any swimming activities are to occur, there must be sufficient staff attending with appropriate swimming qualifications to enable safe supervision.
- A designated "Teacher in Charge" will coordinate each camp. All camps will have an experienced teacher in attendance where possible.
- The Teacher in Charge will ensure all students and adults attending the camp are aware of evacuation and emergency procedures.
- The teacher in charge will communicate the anticipated return time with the school office in the case where camps are returning out of school hours. Parents will be informed prior to students leaving for the camp, that they will be notified through COMPASS on an updated anticipated return time.

EVALUATION

The Camp Policy will be reviewed by teachers in consultation with the Education Policy committee, every three years or sooner if required.
